

EHLENBERGER

Composition I

Composition II

Composition III

COMPOSITION SERIES

48" x 32" x 6"

translucent-painted aluminum, neon, glass

Bridging the simplicity of the "Circle, Arc Series" and the jubilation of the "Celebration Series," the "Composition Series" playfully explores the emotional content of form and color. Using back-lit geometric forms, glass lenses and neon arcs in a style that references Kandinsky, Ehlenberger presents a unique interpretation within his own media.
