

EHLENBERGER

Swamp Flower I

Swamp Flower II

Swamp Flower III

VENUSIAN SWAMP FLOWER SERIES

glass, neon, mahogany base

In Ehlenberger's "Venusian World," the "Swamp Flowers" consist of beautifully detailed hand-blown glass forms with undulating hand-blown neon tubes emanating from the center. The neon tubes are delicately highlighted with multicolored phosphors creating a subtle rainbow of luminescence. Both the glass forms and the wireless neon tubes are easily removed from the base and are interchangeable.
