

Jellyfish pricing:

Each Jellyfish: \$2500

A discount of 5% is applicable to purchases of 2-5 Jellyfish and 10% to 5 or more Jellyfish.

Price includes all electrical components and custom, clear acrylic-coated stainless steel cable.

Replacement Costs:

Jellyfish body (with electrical components): \$1600

Jellyfish tentacles - \$300 each (\$900 for three)

Warranty:

All electrical components and neon tubes are guaranteed against failure for 1 year from purchase.

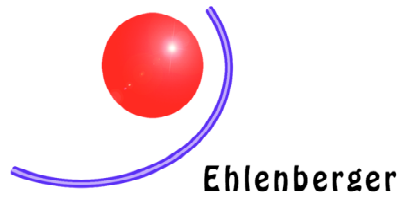

Shipping:

All Jellyfish are shipped from New Orleans, La. and can be sent worldwide.

Shipping prices include custom packaging and insurance for full value of the Jellyfish.

The Jellyfish are professionally packaged for shipping in individually-molded sprayfoam containers and double-boxed. The neon tentacles are shipped separately from the bodies to reduce breakage. They are easily reassembled with no tools required and easy-to-follow instructions are provided.

In the event of breakage of the neon tentacles, they can be easily replaced. Each Jellyfish is individually numbered and photo records are kept of each Jellyfish so that matching replacements can be provided.
